

Elvira Maresca, Principal

Parent Bulletin February 2021

Rachelynn Cruz & Quyen Quach, Assistant Principals

Notes

For SAFETY Reasons:
All students, guest, or staff entering the building will have their temperature checked and are required to wear a mask.
Health Screening for in person students: Parents, please complete the Health Screening for your child before he/she enters the school building. You can go to <https://healthscreening.schools.nyc>

Remote Learning Lunch:
If your child is in Group D: Remote Instruction only, they can come to the school building between 9:00am and 12pm to pick up Breakfast and Lunch. This is provided free of charge and anyone can pick them up. Your child does not have to be present in order to receive this meal.

Student Health and Wellness:
As parents, it is your responsibility to check your child's temperature before going to school. Any student who shows sign of a temperature will be isolated and parent will be called. If you believe your child is showing symptoms related to COVID-19, please call 311 to find a free testing site.
As you are aware, students and staff members at our school will go random COVID 19 testing. In preparation, we ask all parents to watch the [video](#) with their child to explain to them what will happen. Knowledge is power. If students know what to expect, it will ease their anxieties and make the entire process smoother for all. Please go to our website to see the video.

Student Devices:
Please make sure your child is bringing their devices to school on the days they are scheduled to come. If you still require a device, please let us know by emailing admin@ps36x.org

Student Attendance:
Attendance is still a critical part of your child's education. If your child is Remote or not scheduled to enter the building for Blended Learning, he/she is still required to attend their morning class meetings. Students arriving to the building for Blended Learning are expected to arrive on time. Students may come to school only if it is their scheduled group day. Any student(s) brought on the wrong day will be held in the auditorium and parents will be called to pick him/her up.

School Uniform:
Students are required wear uniform every day. It is important to adhere to our uniform policy even if your child is remote.

P.S. 36x has a long and distinguished history of service to our children and families. We are proud of our students. They continue to achieve at high levels and make significant contributions. This would not be possible without our families. Thank you for our continued partnership.
