## F.A.Q.

### What is it?

Bold Charter School has partnered with Red Rabbit to provide students with a weekly home delivery of kids meals. Each delivery includes 5 days of freshly prepared breakfasts and lunches. Check out a sample menu at [myredrabbit.com](https://myredrabbit.com).

### When are deliveries?

Deliveries are Mondays, Tuesdays, Wednesdays or Thursdays. We will reach out to confirm your assigned delivery day and time.

### How do I reorder?

You will be automatically re-enrolled each week until remote learning ends or you send an email to [home@myredrabbit.com](mailto:home@myredrabbit.com) to cancel.

### Is there a cost for families?

No. It's completely free for students under the age of 18.

### What if I'm not home?

All deliveries must be received by an adult. If you are not home, please let us know in advance, and we can skip a week's delivery.

### Can I choose my menu?

Currently our Classic and Vegetarian options are available. If you have other dietary restrictions, please let us know when you sign up.

All students under 18 are eligible. Signing up @ [BOLD.MYREDRABBIT.COM](https://bold.myredrabbit.com) will immediately begin deliveries starting next week.
